

The 4th Global Ocean Acidification Observing Network (GOA-ON) International Workshop

Apr. 14 - 17, 2019 • Hangzhou, China

GOA-ON 2019 SPONSORS & EXHIBITORS PROSPECTUS

The 4th Global Ocean Acidification Observing Network (GOA-ON) International Workshop will take place in Hangzhou on Apr. 14-17, 2019. It aims to continue the development of a global observing network integrated across biology, chemistry and physics through a series of workshops started in 2012. We expect to bring together about 400 scientists and researchers from more than 30 nations and regions to discuss emerging aspects of ocean acidification and seek better understanding of ocean acidification's impacts on aquaculture industry, increase coordination across nations and stakeholders, and highlight the widespread recognition of the threat of ocean acidification to the health and sustainability of marine ecosystem.

The Organizing Committee cordially invite you to participate in the 4th GOA-ON International Workshop as sponsor and/or exhibitor. This is a great opportunity to network with key decision makers and practitioners in the field of ocean acidification and marine observation. Space is limited. Check out the detail below and reserve your booth today.
